

ব্যবসায়িক

Bureaucracy → Private (DBL Ceramics)

Public (BD Govt.)

Civil → BCS

Military → Bangladesh Army

Red Tapisim → files use red threads

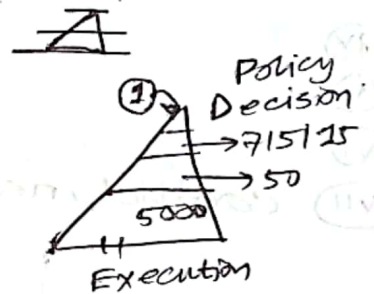

services

bureaucracy run with taxpayer money.

transparency & accountability of the expenditure

Characteristics

- Formal organizational rules & regulations
- pyramidal shaped org with scalar principle
 - ↳ organized layer by layer
- Merit based: appointment & promotion, posting
 - ↳ good bureaucratic org must go through this
- Division of work → work distribution
 - finance, ops, HR, ...
- objective / non-partisanship ⇒ no political background
 - ↳ no considerations for identity
 - ↳ politically impartial
 - ↳ open to all
 - ↳ democratization of opportunities, nurturing of merit
- citizens have the right to get services from the govt w/o any hassle.

Secm.

Cabinet Secretary

Senior Secretary

Secretary

Additional Secretary

Joint Secretary

Deputy Secretary

Senior Asst Secretary

Asst Secretary

pyramidal structure because necessary for mgmt

politician control

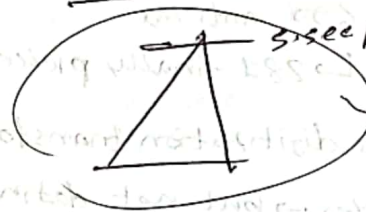

uses bureaucracy to provide services to the citizens.

trained workforce to serve the citizens

issue → over-developed in BD

Minister / PM

Secy / Cabinet Secy

necessary evil

Max Weber → founder of modern ideal bureaucracy
↳ ideas from the army ↳ high prestige & morality

Minister → should be impartial (non-political) w/ work
over development of bureaucracy → if bureaucracy dominates the minister...

- Solutions how to overcome the issues? transformation to service-providing org.
- ① non-political recruitments
 - ② political / parliamentary control. good debating env.

Understanding leadership in development

development $\xrightarrow{\text{ethical}}$ +ve change

+ve phenomena

quality $\uparrow$
affordability $\uparrow$
accessibility $\uparrow$

Leadership is vital for development

$\rightarrow$ not a person, rather a function of leader, followers & situation

cost $\downarrow$
time $\downarrow$
quality $\uparrow$

+ve

$$L = f(L, F, S)$$

① Why does outstanding leadership matter for development of a country?

political Mao Zedong $\rightarrow$ Marxist

China $\rightarrow$ unrestricted economic system
despite having one leader

② Why developing leadership skills is critical in the corporate workplace
"workplace and business development?"

③ Why does leadership matter in the "non-profit" sector?

social service

CT $\rightarrow$ bureaucracy, leadership
